

# MS 798 IX A (EX)

Built in 60cm Combi Steam Oven  
EAN code: 8050147010341

 **ARISTON**

The way you care

Ariston combi steam oven transforms cooking into a new experience. Unique performance which gives you free rein to your desire to try things out, letting you express your creativity in the kitchen. With excellent and always repeatable results. Perfect cooking, on the inside and the outside of the food, enhancing flavour and fragrance in every recipe

## Combi Steam

Traditional cooking combined with steam preserves nutrients in all food cooked with this method

## Assisted Mode

By selecting from the numerous pre-set recipes, it automatically adjusts all the cooking settings or offers instructions for you to prepare your dishes

## Steam Defrost

Steam defrost gently and efficiently defrost without losing integrity or natural goodness, ideal for defrosting meat, poultry, fish, vegetables, bread and fruit

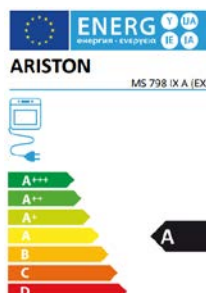

## Probe

Engineered with a special temperature probe, it allows constant monitoring of your food's internal temperature. Avoiding overcooking or undercooking

## Auto Clean

Steam cleaning function makes cleaning after cooking a breeze
